

Become a Founding Pilot School

Founding Pilot Schools

Be among the first schools selected to implement the Confident Life Program™ Grade 3 curriculum during the 2026–27 school year. Founding Pilot Schools will help shape the future of this innovative social-emotional learning and bullying prevention program while receiving implementation support and recognition as early program partners.

Why Grade 3?

Grade 3 is a pivotal year for friendship, confidence, leadership, and belonging. Students are developing greater independence, stronger peer relationships, and increased responsibility—making it the ideal grade level for the first full-year implementation of the Confident Life Program™.

What Students Learn

Students develop skills that help them thrive in school and life:

- ✓ Confidence & Self-Belief
- ✓ Friendship & Inclusion
- ✓ Leadership & Responsibility
- ✓ Empathy & Kindness
- ✓ Problem Solving
